

The GT65RHA cordless gas finisher combines power and utility in a well balanced tool capable of completing all your finishing needs. Perfect for trim crews, remodelers, punch-out work and anyone wanting the freedom of a cordless tool. Built with components that ensure all-day durability and reliability, the GT65RHA comes with a Ni-MH battery, battery charger, durable case, servicetools, and features a 2-year limited warranty.

Applications

Finish and Trim, Baseboard, Cabinets, Caskets, Chair Rail, Decorative Trim, Furniture Trim, Paneling, Door & Window Casing

Features and Benefits

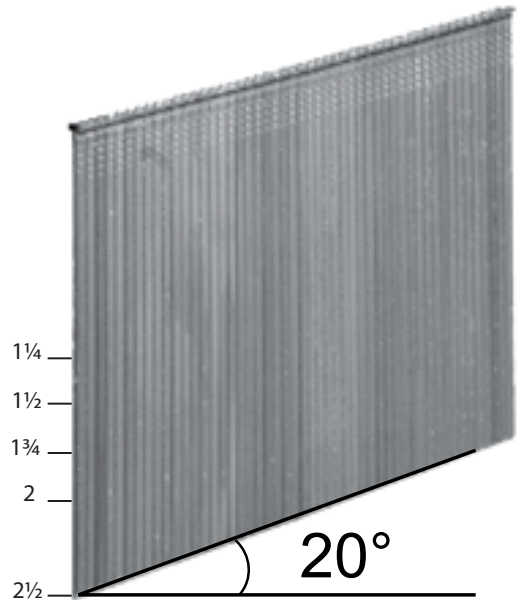

- Cordless convenience – No hoses, no compressors, no hassles. Navigate the job site with no restrictions
- Powerful motor – High-voltage ignition gives you more power and cleaner combustion
- Consistent drives in all weather conditions performs optimally between 20° and 120° Fahrenheit (-7° to 49° C)
- Metal magazine for increased durability
- Tool-free thumbwheel depth-of-drive adjustment – easily control fastener depth with no tool required
