

REPAIR KITS

SENCO repair kits are designed to provide convenience to properly maintain and service your Senco tools. For XP tools, there are two kits available: a Firing/Triggering System Kit to repair top air leaks or sluggish operation and a Piston Stop Kit to repair bottom air leaks or poor return. For Pro Series tools, these two kits are combined into one convenient kit.

Tool Model	Description	Kit No.
FinishPro 10 (NEW STYLE)	Repair Kit	YK0397
FinishPro 10 (OLD STYLE)	Repair Kit	YK0391
