

# AirFree™ 32

## 16 Gauge Finish Nailer

The Senco all battery-powered AirFree 32 allows you to quickly attack a variety of tasks. No hoses to trip over. No cords to tie you down. And no compressor to move around the job site. This perfectly balanced, easy-to-use finish nailer can drive up to 1000 nails per battery charge. The AirFree 32 drives 16 gauge finish nails from 1-1/4" – 2-1/2" and comes with proven features, like an electronic adjustable depth-of-drive, belt hook and a no-mar pad for perfect finishing.

### Applications:

For medium to heavy-duty jobs; crown molding, baseboards, door and window casing, decorative trim and cabinet face frames.

### Features and Benefits:

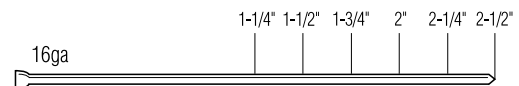

- Drives up to 1000 nails per charge
