

HARD WORK. BRING IT ON.™

DuraSpin® DS300-AC **Corded Collated Screwdriver**

The powerful SENCO DS300-AC is designed for high-volume, high-speed screw applications. Professional remodelers, contractors and DIYers will appreciate the convenience of the 3300 rpm collated screw system, which increases productivity by eliminating the need for handling loose screws. The DS300-AC has corded power to drive 1-1/4" – 3" screws into even the toughest work surfaces. With the built-in extension you can adjust tool to the proper height to speed productivity and save your back and knees.

Applications:

Ideal for decking, floor sheathing, underlayment and cement board.

Features and Benefits:

- 3300 RPM high-torque motor drives screws without bogging down
- Drives 1-1/4" – 3" screws, even into hard woods and composites
- Easy depth-of-drive adjustment regulates the precise amount of countersink
- Fast and simple adjustable height extension
- Ergonomically designed to position hands directly over screw for precise straight drives
- Comfortable grip for less exertion
- Reverse switch to back out driven screws
- Trigger lock for continuous work
- Patented clutch design means long-lasting durability
- Fast and easy loading of screws
- Easy bit change – from Phillips® to square
- Super-tough drive bits – the longest lasting bits available
- Corded power for the demanding needs of professional remodelers and contractors
- High-quality ten-foot cord
- One-year warranty
- Each kit comes complete with tool, spare drive bits, wrenches, spare non-slip nose pads and rugged carrying case

Tool Specifications:

Item Code: 1P0001N
Voltage: 120
Current: 5.2 amps
Frequency: 60Hz
RPM: 3300
Weight: 8.7 lbs. (3.9 kg)
Height: 6.875" (175 mm)
Length: collapsed 31.5" (800 mm),
fully extended 41.5" (1054 mm)
Width: 4" (102 mm)
Fastener Capacity: 50 screws (one strip)
Torque Delivered: 85 in-lbs
Generated Noise: 74 dBA
Vibration: less than 2.5 m/sec²

Fastener Specifications:

Screw Lengths: 1-1/4" – 3"
(32 mm – 75 mm)
Screw Diameters: #6 –
#10
(see reverse side for chart)
