

SG2500/SG4000 Screwdrivers

These rugged DuraSpin screwdrivers are the ideal tools for users who require power, speed and versatility. The SG2500 and SG4000 tools feature a high-torque, variable-speed reversing motor to tackle tough drywall and wood screw applications.

Applications:

Drywall and wood screws.

Features and Benefits:

- Powerful, high torque variable speed reversing motor delivers 20-30% more torque than competitive models
- Versatility—the SG2500/SG4000 can be used for drywall and wood applications
- Long lasting brushes - up to four times longer than competitive models
- The perfect mate to a Senco DuraSpin collated screw feed system
- Convenient belt hook
- Extra long 10' cord for greater mobility
- Comfortable grip reduces fatigue
- Trigger lock
- Reversing lever
- One-year warranty
